April 9<sup>th</sup> / 64

Hear Patty.

When "Thins" used to  
remonstrate, "How don't procrastinate  
girls", it must have gone in one ear  
and out the other, because I really  
did mean to answer immediately  
because it so happens that if the  
class re-union is still on, I  
think I can make it as my niece  
is being married May 30<sup>th</sup> and I  
would also like to go back to the  
wedding - so I might as well go  
back two weeks early and if  
I do some of my U. V. O friends  
will plan a get-together for the  
week end in between - so I should  
be well re-united by the end of May.  
I do think it was a noble effort  
on your part and Adrienne's  
and I realize it must be a lot  
of work and I'm sure we all  
appreciate it. You can thank me 401

down as being in favour of every-  
 thing. I do think of Re-union in the  
 West is out. There are so few of  
 us. Last time I was in Vancouver  
 I did phone Dorothy Barbera and  
 suggested that if she and Gwen and  
 Phoebe were interested and if it would  
 help that I would take my car  
 and we could all share the driving.  
 I had a letter from her yesterday  
 and she had phoned Phoebe who is  
 totally dis-interested and she hadn't  
 heard from Gwen as yet and feels  
 that as much as she'd love to, she  
 really can't make it. So I guess  
 I'll fly back. If something turns  
 up I can't make it I'll send you  
 the Manuscript on my life, old dear!  
 I've just been waiting for an opportunity  
 to publish my Memoirs - I reserve  
 all royalty rights, you understand.

If this has fallen through Patty or  
 the date has been changed, would you  
 kindly let me know. By the way Jean

Sutton Hill used to live north of  
 Toronto - either Newmarket or Aurora  
 - Maybe she would be in the phone  
 book but I haven't seen her either  
 since we graduated. Also Ruth Wilson  
 is out here - either B.C. or Alberta  
 And as I've met up with various  
 Cousins of hers occasionally I might  
 be able to track her down but don't  
 if it's worth the effort! By the  
 way, was I lucky to get letter  
 telling as my name is Mensie and  
 that Mensie and a woman whose name  
 before she was married was Mensie  
 received the letter and whose husband  
 works for an opposition lumber firm  
 to know received it and how she knew  
 my maiden name or figured it was  
 my letter, I'll never know. Any way I  
 got it. This quick note has turned  
 out to be quite an epistle!

Dear Patty.

After I wrote the note, I began to wonder if you have children at Western. Our Margaret is there, and graduates this year. She is at Huron. John is going to transfer to Western next fall.

Do you know the Andersons at St. Thomas? Margaret roomed at Beckenham with Kate and has been down to visit the odd time.

Must have a visit. if

in one of my trips to  
London, I should drop in  
don't be too surprised!  
Maag.

Dear Adrians -

I see where Davidson (mōd) is listed as arriving. Unfortunately, I have 2 children leaving for England on 16, and as part of Whitings visiting for 2 weeks commencing on the 12<sup>th</sup> - so Davidson will not be able to be present - however I shall endeavor to send a sketch.

No hope you all have a good time, you will send us a piece of letter of the event & hope.

(encl) 421

You have certainly done  
a lot of work.

Sincerely,

May. Lathrop

P. S.

Sketch enclosed, & figured  
I had better do it now,  
as it might be lost in the  
shuffle of coming events.

Dear Patty -

Please forgive me for my lack of response - illness in the family at the time of the first communication & things were pretty hectic - hence the delay.

Congratulations to both you & Adrienne for organizing the reunion. I would love to be there but I am afraid it is impossible - shall certainly be thinking of you all & shall write to Adrienne.

Do give me a ring when you are in Edmonton - 4109 2113 - after 4 P.M. - am teaching Kindergarten!

As ever -

Dear Patty -

Look what happened when I launched  
into my "thumb-nail" sketch for Phoebe!  
You are welcome to read it - and delete any  
thing unnecessary, incorrect, or too caustic!

Sorry to be so long - we got Penny off on  
Wednesday - had a happy call from Pam  
Thursday at 8.30 A.M. so all is well. Thursday  
I got caught up with household shopping, and  
Bette Gild cleans - sadly neglected. To-day  
I stayed home and wrote long overdue over-  
seas letters - re Molly and Penny - And now  
Phoebe - and you - and I must write Adeline.  
You two are to be congratulated - a highly  
successful week-end - I hope neither of you  
were disappointed in any way by the response.

Tomorrow the Sailing Club opens officially -  
This is a year-old venture for which we feel very  
responsible - And so it goes - But I do  
hope we're going to get together again - I'd  
love to do lunch the re-union with you - and  
see your kids - and we will get Victoria and  
Molly together come August - eh?

No more - but please let me if you can even  
demonstrate we'd love you all - or some - to  
visit us - there really are 16 beds!

Affectionately  
Joan.
